- Especially designed for: Living- & Bedroom
- Type: Suspension light

Highlights

Organic Modern style
Forecast Organic Modern combines clean, contemporary designs with natural textures, colors, and materials. The combination makes for inspired, appealing lighting that works with a wide range of interior themes

Indoor
When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.

Dry
UL Listed for Dry locations

Saves up to 80% energy

This lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

UNV ballast
Universal voltage electronic ballast makes this fixture ideal for commercial applications, as well as residential.

Satin Nickel
Satin Nickel

Aluminium grid shade
Aluminium grid shade with white acrylic diffuser
